| Document Grid Interface Layout | | | | |
|------------------------------------|--|--|--|--|
| 1 Work Folders Panel | Displays all Work Folders, Batch Assignments, Saved Searches, & Search History | | | |
| 2 Keyword Search Box | Allows you to run simple keyword searches against the document population | | | |
| 3 More Search & Filter Options | Allows you to build more complex searches and filters | | | |
| 4 Bulk Actions Toolbar | Select documents from the Document Grid and perform various bulk actions. | | | |
| 5 Sort by Metadata | Use the icons or column headers to perform a quick sort of the documents within the grid | | | |
| 6 Document Grid | Displays a list of the document population. Dynamically updates with search or filter | | | |
| 7 Field View & Tag Profile Options | Change the selected Field view, select Tag Profile to use for review, or filter docs reviewed | | | |
| 8 Filter, Field Selection & Sort | Filter document grid, select specific fields to display, or apply sorting to documents | | | |

| Bulk Actions Toolbar | | | | | |
|----------------------|---|-------------------------|--|--|--|
| 🏷 Tag | Bulk tag documents within the document grid | | Auto assign descriptive labels to image-based files for searching | | |
| 😫 Assign | Select documents and Create Batch Assignment | OCR | Run OCR on selected imaged- based files and PDFs | | |
| 🔁 Sample | Create a random sample of documents & save to Work Folder | 🌐 Translate | Auto translate selected docs from one language to another | | |
| 🚣 Export | Export metadata and natives for selected documents | 🗟 Transcribe | Auto transcribe audio/video files to text for searching | | |
| 🖨 Print | Image and export selected documents with metadata | 🔟 Delete | Delete selected documents including images & artifacts | | |

| Document Navigation | | | | |
|----------------------------|---|--|--|--|
| A Project Green - | Change the project you're working on | | | |
| B 1 of 14752 25 per page 🔻 | Navigate between pages within the grid or change the number of docs displayed per page | | | |
| C KK < 1 2 3 ► ₩ | Navigate between document grid pages | | | |
| | Basic statistics on project including data size, number of users, date last updated, etc. | | | |

B
